

To register

All events are described in detail in this brochure. You may register either online at burgmanncollege.eventbrite.com.au or by completing the Registration Form.

Once registered, you will receive confirmation and receipt for payment. Further important information will be sent to you one week prior to Back-to-Burg. You will receive a Registration Pack upon arrival with everything you need to know to fully enjoy your weekend.

Bringing a guest

You are welcome to register a guest, regardless of whether they are connected with Burgmann.

Special highlights

There are a number of special highlights during the weekend to which we would like to draw your particular attention:

• Annual Alumni & Friends Dinner

A formal dinner with drinks. Join special guests including past Burgmann Principals/Masters and members of Council. The night also includes the presentation of the 2023 Burgmann Alumni Awards (see below).

• 2023 Burgmann Alumni Awards

These awards recognise and honour the achievements of alumni and the valuable service of our staff and volunteers. For more information, including a list of past recipients, visit

burgmann.anu.edu.au/burg-alumni-awards.

• Burgmann College Alumni Association (BCAA) AGM

The BCAA AGM will cover some brief official business, however the main attraction for this event is the opportunity to hear, and contribute to, our exciting new plans over pre-dinner canapés and drinks. All welcome.

Accommodation

The Ovolo Nishi hotel has kindly offered our attendees a discount of 20% with the code BURGSMANN when you book through their website. For a full range of accommodation options near the College, check out [booking.com](https://www.booking.com).

Lost Alumni

We still have many Burgmann alumni and former staff to “find”. Please help us spread the word — see our “Lost Alumni” lists at burgmann.anu.edu.au/articles/lost-alumni

Burgmann merchandise

On Saturday afternoon, attendees will have the opportunity to purchase special commemorative items and renew their Burgmann colours and kit at the Burgmann Residents' Association Merch Sale.

Access for all

While we have done our best to keep registration fees low for our Back-to-Burg weekend, we don't want anyone's financial circumstances to prevent them from attending and reconnecting with our community. Please contact the Advancement Team to access a confidential fee reduction on hardship grounds. Alternatively, if you would like to chip in to support someone who might not otherwise be able to make it, please contact our Advancement Team.

Let others know you're coming

As registrations grow, we will publicise a Back-to-Burg Registrant List on our website so you can see who is coming. This is a great way to encourage attendance from those who may be worried they won't know anyone. If you and/or your guest would prefer not to be included on this list, you can let us know when registering via Eventbrite or by **checking the relevant box on the Registration Form**.

Bursary Appeal

I think a lot about how much my life has changed from cleaning hotel rooms with my mum to studying science at a wonderful university... College is such a special and privileged experience and I think that it should be something that is accessible to any prospective student.

Alumna, Sai Campbell (2019 – 2022)
Bursary & Scholarship Recipient and Rhodes Scholar

Many of our past bursary recipients tell us that it was the support of a Burgmann bursary that enabled them to take up their offer of a place at ANU, and that the support from the Burgmann community ultimately changed their lives. With your support, we can ensure that all deserving applicants take up their rightful place in our community. For more information or to donate, please contact the Advancement Team.

Come Back-to-Burg!

We are delighted to invite you to our special alumni and friends event, *Back-to-Burg*. Over the three-day weekend, generations of 'Burgmannites' and 'Burgies', including current residents, staff, and many of our other supporters from across the years, will come together to connect, reconnect, and celebrate our rich collegial culture.

Our weekend program provides ample opportunity to participate in much-loved traditions, catch up and

reminisce with fellow alumni, build and strengthen relationships from across the generations, and see how our cherished Burgmann spirit lives on.

If you have any questions about the program or how to register, please do not hesitate to contact our Advancement Team.
